MINISTRY OF COMMERCE AND INDUSTRY

NOTIFICATION

*New Delhi, the 26th May, 1952*

**S.R.O. 936**—The following draft of certain rules which the Central Government proposes to make in exercise of the powers conferred by section 30 read with sections 10 and 11, sub-section (2) of section 12 and sections 13 and 14, of the Industries (Development and Regulation) Act, 1951 (LXV of 1951), is hereby published as required under sub-section (1) of the said section 30, for the information of persons likely to be affected thereby.

Notice is hereby given that the draft will be taken into consideration on or after the 15th June, 1952.

Any objection or suggestion which may be received from any person with respect to the draft before the date specified above shall be considered by the Central Government.

## DRAFT RULES

1. *Short title.*—These rules may be called the Registration and Licensing of Industrial Undertakings Rules, 1952.

2. *Definitions.*—In these rules, unless there is anything repugnant in the subject or context:—

(i) "the Act" means the Industries (Development and Regulation) Act, 1951 (LXV of 1951).

(ii) "effective steps" shall mean one or more of the following—

- (a) that 60 per cent. or more of the capital required for the industrial undertaking has been raised or subscribed;
- (b) that a substantial part of the factory building has been constructed;
- (c) that a firm order has been placed for a substantial part of the plant and machinery required for the undertaking.

3. *Application for Registration.*—(1) An application for the registration of an existing industrial undertaking or of an industrial undertaking for the establishment of which effective steps have been taken shall be made, in triplicate, to the Ministry of Commerce and Industry, Government of India, New Delhi, or to any authority appointed by it in this behalf, in Form A and B respectively appended to these rules, within 45 days from the date these rules come into force.

(2) For the purpose of sub-rule (1).—

“existing industrial undertaking” shall mean an industrial undertaking existing on the date on which the application is made.

(3) Each application shall be accompanied by a treasury receipt for Rs. 10.

4. *Acknowledgement of application.*—On receipt of the application, the receiving officer shall note thereon the date of its receipt, and shall send to the applicant an acknowledgement stating the date of receipt.

5. *Power of Central Government to ask for additional information.*—The Ministry of Commerce and Industry or the authority appointed by it under rule 3, may require the applicant to furnish within a period to be specified by it, such additional information as it may consider necessary for the purpose of registration.

6. *Grant of Registration Certificate.*—If an application made under sub-rule (1) of rule 3 falls within the scope of that rule, the Ministry of Commerce and Industry or the authority appointed by it under rule 3, shall, after such investigation as it may consider necessary, grant to the applicant, before the 8th November, 1952, a certificate of registration in Form C appended to these rules. If an application made under sub-rule (1) of rule 3 does not fall within the scope of that rule, the Ministry of Commerce and Industry or the authority appointed by it under rule 3, shall inform the applicant accordingly.

7. *Application for Licence.*—(1) An application for a licence or permission for the establishment of a new industrial undertaking or any substantial expansion of an existing industrial undertaking shall be made, in triplicate, to the Ministry of Commerce and Industry, Government of India, New Delhi, or to any authority appointed by it in this behalf, in Form D or E appended to these rules.

(2) For the purpose of sub-section (1) of section 11 of the Act, the taking of one or other of the following steps shall amount to the establishment of a new industrial undertaking:

- (a) Raising any part of the capital required for the undertaking;
- (b) Commencing the construction of any part of the factory buildings,
- (c) Placing an order for any part of the plant and machinery required for the undertaking.

(3) Each application shall be accompanied by a Treasury Receipt for Rs. 50.

8. *Acknowledgement of application.*—On receipt of the application, the receiving officer shall note thereon the date of its receipt, and shall send to the applicant an acknowledgement stating the date of receipt.

9. *Application to be referred to the Licensing Committee.*—The Ministry of Commerce and Industry or the authority appointed by it under sub-rule (1) of rule 7 shall refer the application to a Committee (hereinafter referred to as the Licensing Committee) consisting of a representative of each of the Ministries of Commerce and Industry, Railways, Finance (Department of Economic Affairs) and Works, Housing and Supply, and of the Planning Commission. The representative of the Ministry of Commerce and Industry shall be the Chairman of the Committee. The Committee may co-opt one or more representatives of other Ministries of the Government of India or of any State Government concerned, whenever necessary.

10. *Power to call for additional information.*—The Licensing Committee may require the applicant to furnish, within a period to be specified by it, such additional information as it may consider necessary.

11. *Submission of Report by the Licensing Committee.*—After such investigation as may be necessary, the Licensing Committee shall submit a report to the Ministry of Commerce and Industry.

12. *Contents of the Report.*—In making the report under rule 11, the Licensing Committee shall have regard to the approved plans, if any, of the Central Government for the development of the scheduled industry concerned and, where no such plans exist, to the existing capacity of the scheduled industry, the demand and supply position, availability of raw materials and plant and machinery. The report should, among other matters, contain recommendations regarding capital and its

structure, suitability of the location proposed from the point of view of the approved plans for the industry, capacity of the plan to be installed, availability of rail-transport capacity, availability of technical and other skilled personnel required, and collaboration, if any, with foreign manufacturers.

13. *Recommendation regarding public enquiry.*—If the Licensing Committee is of the opinion that a public enquiry is necessary in respect of any application, it may recommend such a step to the Ministry of Commerce and Industry or to the authority appointed by it under sub-rule (1) of rule 7.

14. *Invitation of applications.*—(1) The Ministry of Commerce and Industry or the authority appointed by it under sub-rule (1) of rule 7, may, where it considers necessary, invite, by means of a notice published in the Gazette of India, applications for the grant of licences for the establishment of new industrial undertakings in any scheduled industry.

(2) An application received under sub-rule (1) shall be dealt with in the manner laid down in rules 11 to 13.

\* 15. *Grant of Licence or permission.*—(1) The Ministry of Commerce and Industry shall consider the report submitted to it under rule 11, and where it decides that a licence or permission, as the case may be, should be granted, it shall inform the applicant accordingly, not later than 3 months from the date of receipt of the application, or the date on which additional information under rule 10 is furnished, whichever is later.

(2) Where the Ministry of Commerce and Industry considers that certain conditions should be attached to the licence or permission or that the licence or permission should be refused, it shall, before reaching a decision, give an opportunity to the applicant to state his case.

(3) Licences or permissions shall be in Form F appended to these rules.

16. *Variation or Amendment to Licences.*—(1) Any owner of an industrial undertaking in respect of which a licence has been granted, who desires any variation or amendment in his licence shall apply to the Ministry of Commerce and Industry or to the authority appointed by it under sub-rule (1) of rule 7, giving the reasons for the variation or amendment.

(2) The Ministry of Commerce and Industry after carrying out such investigation as it may consider necessary, may vary or amend the licence. The Ministry of Commerce and Industry may also consult the Licensing Committee before coming to a decision.

17. *Revocation of Licences.*—The Ministry of Commerce and Industry or the authority appointed by it under sub-rule (1) of rule 7 shall, before exercising its power of revocation of a licence under sub-section (1) of section 12 of the Act, give an opportunity to the licensee to state his case.

18. *Review of Licences by a sub-committee.*—A sub-committee of the Central Advisory Council shall be constituted which will review all licences issued, refused, varied, amended or revoked from time to time, and advise Government on the general principles to be followed in the issue of licences for establishing new undertakings or substantial expansion of the existing undertakings. The results of the review shall be reported to the Central Advisory Council.

19. *Submission of Returns.*—Every owner of an industrial undertaking in respect of which a licence or permission has been granted shall send every half year ending 30th June and 31st December, commencing from the date of grant of the licence or permission, as the case may be, till such time as the industrial undertaking commences production, a return, in duplicate, in Form G appended to these rules, to the Ministry of Commerce and Industry, Government of India, New Delhi, or to the authority appointed by it under sub-rule (1) of rule 7. The return relating to every half year shall be sent within one month after the expiry of that half year.

20. *Penalty for contravention of rules.*—Whosoever contravenes or attempts to contravene or abets the contravention of any of these rules shall be punishable under section 24 of the Act.

21. *Allotment of controlled commodities to licensed undertakings.*—The owner of an industrial undertaking in respect of which a licence or permission has been granted shall be eligible to the allotment of controlled commodities required by

him for the construction or operation or for both construction and operation of his undertaking on such preferential basis as the Central Government may determine from time to time.

22. *Concession in the grant of import licences to undertakings.*—The owner of an industrial undertaking in respect of which a licence or permission has been granted shall be eligible for the issue of licences for the issue of licences for the import of goods required by him for the construction or operation or for both construction and operation of his undertaking on such preferential basis as the Central Government may determine from time to time. This may include such concession as the submission of one consolidated application in respect of the requirements from each currency area for all items shown as licensable to actual users, submission of separate application for highly specialised items even though such items may not be shown as licensable to actual users and priority in the matter of import from different currency areas.
